## Parkland School Division 70

### Q1 What are some things you appreciate and some concerns you have about your school and/or Parkland School Division this year?

**I appreciate the support given when needed but I don't like having misinformation come home.** It's important everyone stays on the same page and we work together.

**I appreciate that I know my kids are well cared for at their school.** My children love going there!

3.0  (1   
Not enough ratings to rank

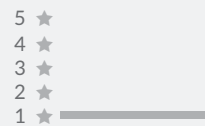

**My kids are experiencing COVID-Precaution-Fatigue.** Increasingly, they cannot bear to be in school wearing a mask for hours. They beg me to let them stay home--anything to avoid MASKS.

3.2  (1   
Not enough ratings to rank

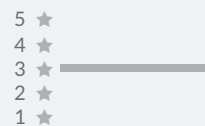

**I love the monthly virtual assembly.** This is great for parents that work as they can stay connected to what's happening at the school.

2.7  (1   
Not enough ratings to rank

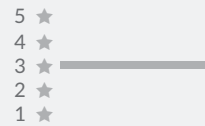

**I am concerned about the new curriculum the government is trying to implement.** Everything I've read states it's regressive and would put us behind the educational standards of other regions. How can we ensure its quality?

3.0  (1   
Not enough ratings to rank

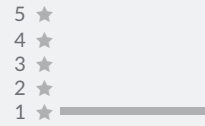

**I am constantly worried that I have to be 100% on the ball all the time to justify my working from home. I am so burned out. I wish there was more feedback as to how well staff are doing despite all this - it would be a big reassurance.**

3.0  (1   
Not enough ratings to rank

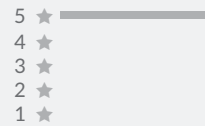

**I'm impressed by the diversity of programs offered by PSD, especially in light of funding cuts. The CFL roster of programs alone is fantastic. I wish I had had the opportunity to participate in such things when I was in school.**

2.7  (1   
Not enough ratings to rank

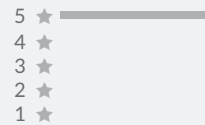

**I appreciate that students have been given the option to work from home. Many students and/or their families are high risk for COVID and/or have anxiety issues tied to the pandemic, so this option is a huge help.**

3.3  (1   
Not enough ratings to rank

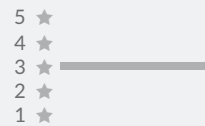

**I appreciate the ability to work from home. I'm high risk for COVID and my mental health has suffered this past year, but feeling safe at home enables me to keep working well.**

3.3  (1   
Not enough ratings to rank

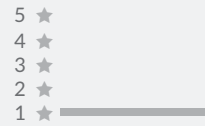

**Increased class sizes. Given this pandemic has robbed our children of a quality education, they need more teaching support not less.**

3.0  (1   
Not enough ratings to rank

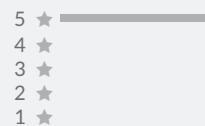

**I appreciate the leadership that I see in Division Office. I see the collaborative efforts of this team to make a difference for staff through support, communication and leadership through example.**

2.7  (1   
Not enough ratings to rank

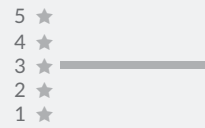

**This forum is overrun with COVID. We get it, thank you for protecting our kids. Can we put more focus on normal education related concerns ? Many very valid concerns are being brought up here but have been buried amidst all the Covid comments/concerns which are very repetitive.**

3.3  (1   
Not enough ratings to rank

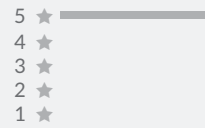

**Online Learning Support** Teachers were not given sufficient support to prepare for Option 2. Understaffed and under-supported. Not enough teachers for amount of students

3.0  (1   
Not enough ratings to rank

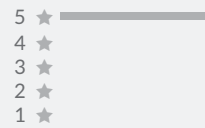

**Schools should ensure that their mandate is to provide learning based outcomes; not current vogue and popular ideas.** It is important that students can think independently using solid research fundamentals.

3.3  (1   
Not enough ratings to rank

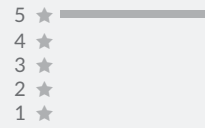

**The teachers are doing an excellent job!**

3.6  (2   
Not enough ratings to rank

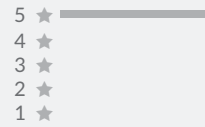

**The ladies up front are so helpful. Thanks you :)**

3.3  (1   
Not enough ratings to rank

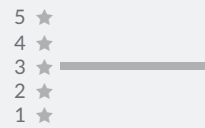

**I am concerned that rural schools may struggle to maintain enrollment due to the downturn in the economy as people move to larger centers for work.** Rural schools are a vital part of smaller communities and must be financially supported if needed to be maintained.

3.3  (1   
Not enough ratings to rank

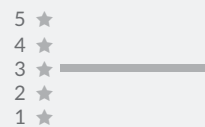

**I appreciate the measures put in place for the safety of staff and students during the pandemic** It is important for students to be in school under safe conditions.

3.0  (1   
Not enough ratings to rank

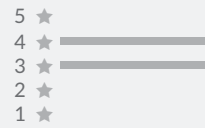

**Torch Time at Memorial** Appreciate the time in the day for students to catch up on struggling assignments or needs, not at lunch when teachers should be allowed to eat lunch.

3.0  (1   
Not enough ratings to rank

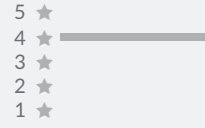

**Its disappointing that with the larger workload that staff are not compensated.**  
Staff juggling online learning, covid cleaning measures, plus regular teaching and staff arent being compensated any better than previous years.

3.1  (2 👤)  
Not enough ratings to rank

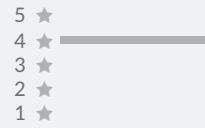

**Transparency between Admin and Staff** Its refreshing that decisions are mostly made as a team. There is alot more transparency and involved decision making

3.2  (1 👤)  
Not enough ratings to rank

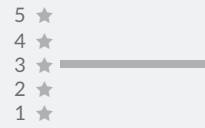

**I appreciate the excellent staff** The community really supports my child's learning

3.2  (1 👤)  
Not enough ratings to rank

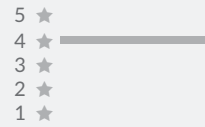

**The excellent music program at Broxton** It supports my daughters learning and ability to express herself

3.0  (1 👤)  
Not enough ratings to rank

**Appreciate: LLI, school counsellor, admin who are professional and respectful**

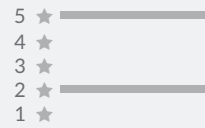

3.2  (1 👤)  
Not enough ratings to rank

**Appreciate: PD Days for the opportunity to prep and collaborate with colleagues**

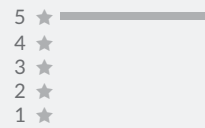

Concerns: outdated and smelly student bathrooms. I am worried there is clearly something wrong with the plumbing and the smell is disgusting.

3.1  (2 👤)  
Not enough ratings to rank

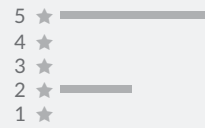

**It's frustrating that the school and schools in Parkland spend so much time and energy focussing on the bottom 10% instead of the majority.** Students who are well behaved deserve to get their share of the teachers attention. Instead, teachers are forced to deal with behavioural students.

3.3  (1 👤)  
Not enough ratings to rank

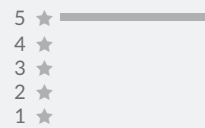

**School needs to be updated** Its safety measures are not up to par and many classrooms are open concept which can easily lead to students being distracted.

3.4  (3 )  
Not enough ratings to rank

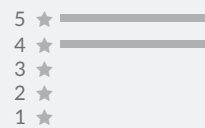

**There needs to be more mental health education/collaboration for parents, students and teachers** The early ed program really strives to help us be in tune with our children's mental health. However once they hit grade one this isn't the case.

3.6  (2 )  
Not enough ratings to rank

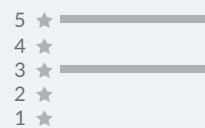

**I absolutely love my sons preschool teachers.** These teachers have shown so much love to my son and have totally changed the way I look at his learning and brain development.

3.4  (2 )  
Not enough ratings to rank

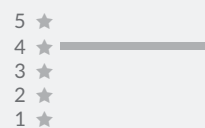

**I appreciate that kindergarten teachers care about their students' health. However, they should not dictate what parents can pack in a child's lunch.** Parents should decide what is a healthy choice for a child's lunch based on other foods the child has eaten that day and overall family dietary habits

3.3  (2 )  
Not enough ratings to rank

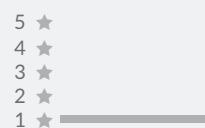

**I have been happy with how our school is this year, I wasn't sure what to expect with Covid, but I feel it's going as well as it can. I feel fairly good sending kids to school daily. As well as on the bus.**

3.2  (1 )  
Not enough ratings to rank

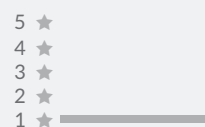

**Biggest concern is lack of high school options.** Kids have to be driven to one option or bussed over a hour to the second option.

2.4  (2 )  
Not enough ratings to rank

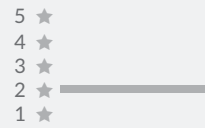

**Little help for my child with disabilities** I feel like the school tries with what they have, but my child has fallen through the cracks

2.7  (1 )  
Not enough ratings to rank

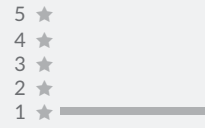

**Assign Homework** Homework would help kids that struggle or fall behind. Especially kids with disabilities. Also sets a good work practice for later school years.

2.8  (1   
Not enough ratings to rank

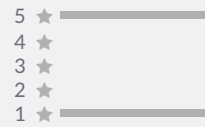

**Parent Notification when a child fails a test or assignment** We can follow up at home to make sure they understand what they are missing. Homework would help.

2.7  (1   
Not enough ratings to rank

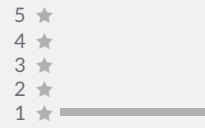

**Parent Notification when a child is falling behind in work** Kids don't tell us if they are struggling, even if asked. A heads up from the teachers might be nice especially with younger kids. Homework would help

3.0  (2   
Not enough ratings to rank

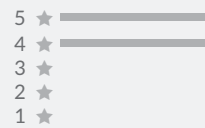

**I don't think covid protocols are being taken seriously enough in the classrooms.**

2.7  (1   
Not enough ratings to rank

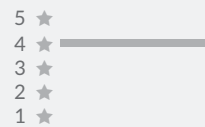

**I appreciate the flexibility of the programming offered in this district** Options are important for families so that they can find the program that will work best to support their students

3.4  (2   
Not enough ratings to rank

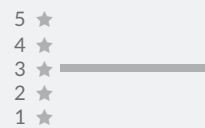

**School grounds - icy walkways** I'd like to see more attention to dealing with the icy walkways - avoid accidents!

3.2  (1   
Not enough ratings to rank

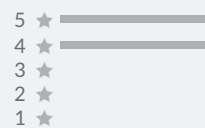

**Wow this has been a challenging year with the pandemic. I am so impressed with how our school has provided learning options. I feel very connected with my child's education and feel very supported by his teacher.**

3.0  (1   
Not enough ratings to rank

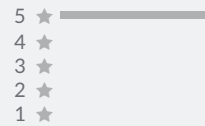

**Quality learning and interaction with peers has been essential to kids mental health** Being able to socialize and learn alongside their peers is so important to their growth.

3.4  (2   
Not enough ratings to rank

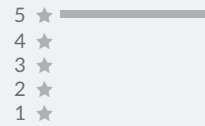

**I appreciate all the effort the school staff have made to ensure the school year has not only been safe, but also a mostly normal a school experience** Kids need stability in their lives and we are so grateful that it has felt mostly normal for them at school this school year.

3.6  (2   
Not enough ratings to rank

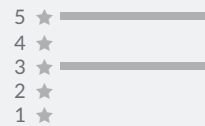

**The age/condition of the school washrooms**  
Need updating; tiles, sinks, counters, etc.

3.6  (2   
Not enough ratings to rank

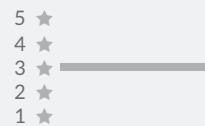

**Parent Teacher Interviews Online** Love this format. More private, effective and efficient than waiting in line in the gym at SGCH.

3.3  (2   
Not enough ratings to rank

**Blueberry parking lot needs another light**  
From December to February it is dark in the mornings and the kids can't be easily seen.

3.0  (1   
Not enough ratings to rank

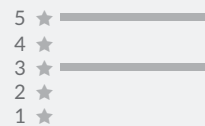

**Teachers are always happy.** Shows the students it's a positive place.

3.1  (2   
Not enough ratings to rank

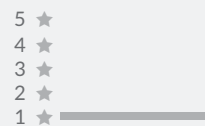

**Teachers seem caring.**

3.3  (2   
Not enough ratings to rank

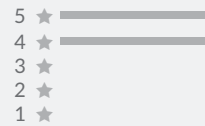

**The Quarter System is FANTASTIC! The continuity of the classes and reduced stress for exams has our child experiencing the best academic year ever.** Our child is succeeding and thriving with the longer classes allowing more lesson time and uninterrupted theory. Only studying for 2 exams=less anxiety

2.7  (1   
Not enough ratings to rank

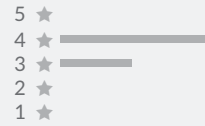

**Staff are amazing and working so hard to ease COVID stress**

3.4  (2   
Not enough ratings to rank

**I appreciate the effort the teachers put into the online instruction portion of the year. It helped keep a routine during at home learning. My kids knew exactly what to do at home.**

3.3  (3   
Not enough ratings to rank

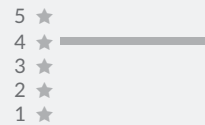

**Does not appear to value employees and their contributions to the division** It appears that we are nothing more that replaceable cogs in the machine

2.6  (2   
Not enough ratings to rank

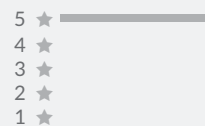

**How hard the staff are working to keep kids safe this year** Ensuring safety so we can stay in school and not work online again for a long period of time

3.2  (1   
Not enough ratings to rank

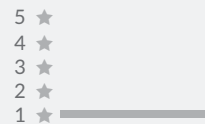

**I appreciate how the Staff has shown that they are lifelong learners.** teacher were quick to pivot to remote learning, record lessons, learn how new tech worked, work both classroom and online sessions

3.3  (1   
Not enough ratings to rank

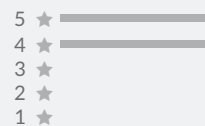

**My concern is that children are getting bullied in class and the bullies are getting away with it. My child does not feel safe at school...** I do not agree with children getting detention for behavior out of their control, like ADHD and Tourettes.

2.7  (1   
Not enough ratings to rank

**I've appreciated the school staying open and following AHS safety regulations during the pandemic.** I've appreciated the teachers and staff putting their lives on the line so our children can attend in-person learning this year.

3.4  (2   
Not enough ratings to rank

**Would like to see a timeline/learning schedule for each class provided to parents electronically. Only hard copy given to students. Help support school work.**

2.7  (2   
Not enough ratings to rank

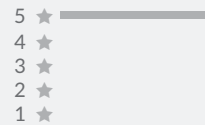

**Communication with parents** improvement this year by teacher using power school to record marks and such. However the lack of inperson is the reason I feel for this

2.6  (3   
Not enough ratings to rank

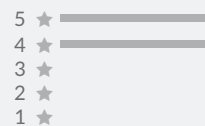

**We have been blessed with absolutely amazing teachers this year.** It has made our children feel safe in these uncertain times.

3.3  (1   
Not enough ratings to rank

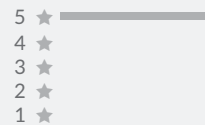

**I am concerned about the manner in which admin has approached the students regarding the pandemic.** These are all young students who are scared and stressed. Their mental health should be one of the top priorities and they should feel safe not scared

3.4  (2   
Not enough ratings to rank

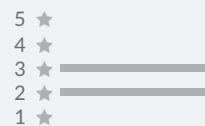

**I appreciate the efforts that the classroom teachers have put in this school year.** My child has loved being able to attend school for most of the year. The teachers are doing everything they can to make it enjoyable and educational.

3.6  (2   
Not enough ratings to rank

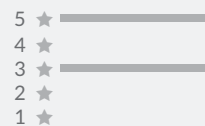

**We do the best that we can with our parking lot and bussing situation but it is not great.** Pavement and better flow for traffic down the back alley would be a huge improvement.

2.9  (2   
Not enough ratings to rank

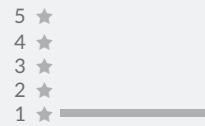

**We have an amazing group of staff members! It feels like I am part of a great team!** It is great to be in a place where the people are kind and get along so well.

3.3  (2   
Not enough ratings to rank

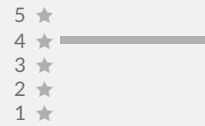

**Bussing to Nature K. It doesn't make sense that my one kid can get the bus to go to school but the other can't catch the bus to go to school and take A transfer to Nature K.** This is very inconvenient for parents. Keep it consistent and that way parents can also take advantage of the OSC program

2.7  (1   
Not enough ratings to rank

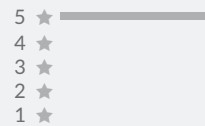

**We have a very caring and kind administration. They take the time to meet with us and to listen to our thoughts and concerns.** This makes me feel valued.

3.2  (1   
Not enough ratings to rank

**Online learning expectations are set to high for younger kids** Expecting 6-7 year olds to sit in front of a screen all day is unrealistic. Provide assignments to complete on their own time with fewer Google meets

3.3  (1   
Not enough ratings to rank

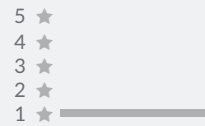

**Busing** Have never heard from our bus drivers.

2.7  (1   
Not enough ratings to rank

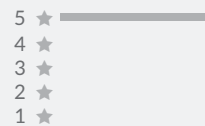

**Concerned about the restrictions on music and physical education.** I appreciate these are harder to navigate around but the current programs are not sufficient for children's stimulation

2.7  (1   
Not enough ratings to rank

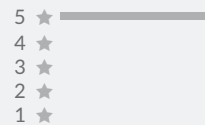

**Bring back hot lunches!** Both the kids and parents are missing these big time!!!

3.6  (2   
Not enough ratings to rank

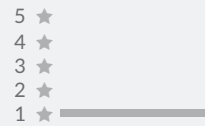

**Certain health restrictions are just nonsense** Such as, having to "quarantine" Valentine's for 72 hours. The kids play together all day. These extra measures is creating unnecessary stress and fear

3.3  (1   
Not enough ratings to rank

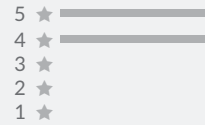

**Stop the fall breaks and arrange breaks/PD days to fall on stat weekend.** For example. Easter next year falls a couple of weeks after spring break meaning parents are having to take extra time off work to accommodate.

2.7  (1   
Not enough ratings to rank

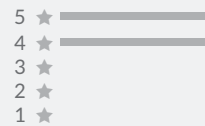

**Re-design the parking lot (if possible)** The parking lot is way too small for the size of school. If a separate exit could be created it would alleviate a lot of the traffic issues

3.4  (2   
Not enough ratings to rank

**Too many apps!** Find one app/website for all the school needs. It's too confusing having to go from app to app to see grades, book interviews, etc. Please simplify!

3.4  (2   
Not enough ratings to rank

**Lack of supervision on the playground** My child complains regularly about a classmate who plays to rough, reports it to the supervisor who never does anything. Better monitoring of games

2.9  (2   
Not enough ratings to rank

**Restrictions on Fun Events** We get CoVID. But the children are lacking real excitement and events to be excited for. Ie no class parties, treats, field trips. It's sad.

3.0  (2   
Not enough ratings to rank

**Caring** Creating an environment where the child feels safe, valued and respected as a community member

Not enough ratings to rank

2.8  (3   
Not enough ratings to rank

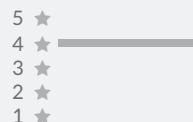

**Dedicated staff** Reassuring that your child is receiving appropriate care and education

3.3  (1   
Not enough ratings to rank

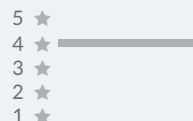

**Friendly folks!** I've enquired with the PSD and PLC throughout the last year about various things and everyone is very professional and friendly.

3.2  (1   
Not enough ratings to rank

**Great communication** Through the challenges that COVID-19 have presented, PLC has done a fabulous job on communicating with parents and keeping us up to date!

3.2  (1   
Not enough ratings to rank

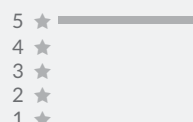

**The school is doing a fantastic job dealing with covid.**

3.3  (2   
Not enough ratings to rank

**I appreciate how much our teachers, administrators, and staff care about our kids. I appreciate that our schools are open and kids are in class.** The impacts of kids not being in class may be worse than COVID itself in many respects. Our teachers show that they care by teaching in class.

3.3  (1   
Not enough ratings to rank

**I appreciate how you have been able to keep the education up for the most part in light of our current situation.** Even though we are going through crazy times, our kids still need a good education.

3.0  (2   
Not enough ratings to rank

**Staff are working extremely hard with little or no recognition from leadership.**

3.0  (2   
Not enough ratings to rank

**I am concerned about the lack of support and compassion from the Admin** teachers need actual support and compassion more than ever, not just lip service

3.1  (3   
Not enough ratings to rank

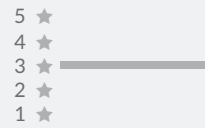

**Staff feeling increasingly isolated. Expected to teach/counsel/supervise/mark/plan on top of COVID responsibilities such as disinfecting classroom**

3.3  (2   
Not enough ratings to rank

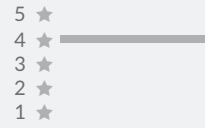

**Pacing of classes in quarter system** Students do not have an adequate amount of time to digest material presented in class before moving on to next unit.

3.0  (1   
Not enough ratings to rank

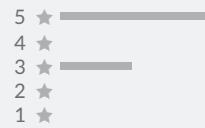

**I appreciate that bus supervision has been done by Admin** Leave staff to attend to the precleaning/post cleaning of rooms, get ready for the day, connect to peers, prepare for the next day

3.3  (2   
Not enough ratings to rank

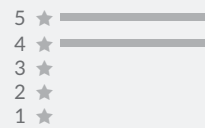

**I appreciate how hard all of the teachers are working in the ever changing rules regarding COVID** It is so important to be flexible and allow for multiple learning models (online, in person etc.). Thank you

3.5  (3   
Not enough ratings to rank

**Inclusive Education** This program is not as effective as claimed. Students constantly miss help when high behaviour of others present. Quiet, anxious kids fly under radar.

3.4  (2   
Not enough ratings to rank

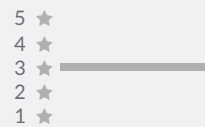

**Role of Grade Coordinator** High School: What is the role? Should we be hearing from them? What are their tasks?

3.0  (3   
Not enough ratings to rank

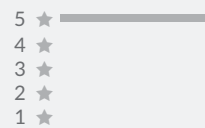

**Not Enough Specialized Support** Unique learners deserve the adequate supports to reach their future potential. Self esteem and mood disorders occur when this isn't met.

3.0  (1   
Not enough ratings to rank

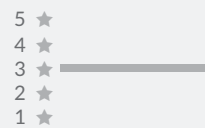

**Quarter System Concern** For children with LD's it is far too fast and heavy. Even torch time isn't enough to catch them up. Regular learners feel burnt out.

3.3  (1   
Not enough ratings to rank

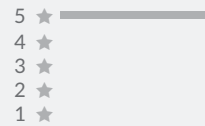

**Outstanding student driving etiquette at arrival and dismissal.** The MCHS teens show respect & courtesy, take turns exiting, always wave or smile, & set an example as to what a positive community member looks like.

3.0  (1   
Not enough ratings to rank

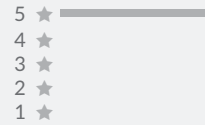

**Making sure everyone matters, Not just students but Staff as well.** I understand that covid-19 has put restrictions on alot of things but you still needto make sure your staff is doing well.

3.3  (1 )  
Not enough ratings to rank

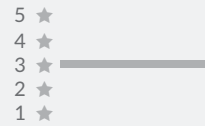

**I appreciate the culture of growth and trust in PSD--we can fight and exist harmoniously in the same building.** It's important because these are people we have to work with for many years of our life.

3.3  (1 )  
Not enough ratings to rank

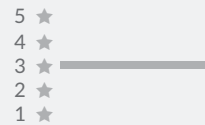

**I appreciate how our staff is striking a reasonable balance in enforcing unprecedented medical measures dictated by health bureaucrats.** I didn't sign up for this. If AHS wants these measures enforced enthusiastically, they can hire their own compliance officers for our schools.

3.0  (1 )  
Not enough ratings to rank

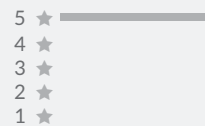

**Concern: full inclusion is not working for some of our students and their needs should be addresses on an individual basis.** I feel that there is significant time wasted for our high needs students. Are we really meeting their educational needs?

3.0  (1 )  
Not enough ratings to rank

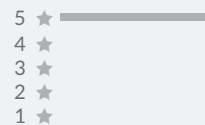

**Classroom cleaning** Teachers have had to take on a lot of the duties of cleaning that the night custodians are typically responsible for because of Covid.

3.3  (1 )  
Not enough ratings to rank

**I really appreciate the efforts by most teachers to be flexible, fair and helpful to students during these challenging times** Learning has been nothing but a challenge and when teachers are understanding and helpful to students it is really appreciated.

3.3  (1 )  
Not enough ratings to rank

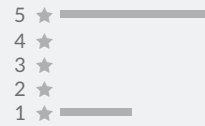

**I am wondering why grade 12 students can't have a grad ceremony & dance at their school when they are cohorts and spend all day together** Restrictions are easing and will be even more so by May/June. These students have had no sports, disrupted learning and deserve a grad celebration.

3.0  (2 )  
Not enough ratings to rank

3.3  (3 )  
Not enough ratings to rank

Not enough ratings to rank

**Timely communication** Psd and school admin have quickly responded to provide information to staff and families in our ever changing covid reality

3.3  (1 )  
Not enough ratings to rank

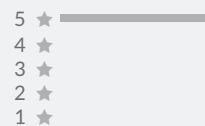

**Parkland demonstrated commitment to French immersion with option 2** This was an effort to maintain the growth of our program

2.9  (2 )  
Not enough ratings to rank

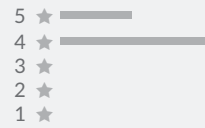

**School need to be renovated** School is one of the oldest in Spruce Grove and needs to be renovated, lots of classrooms are additions and not actual part of the building.

3.3  (1 )  
Not enough ratings to rank

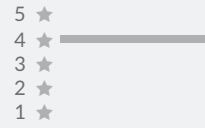

**The staff team are very flexible** In the age of covid and things changing from day to day, the staff are rolling with the punches and doing their best for the students

3.5  (3   
Not enough ratings to rank

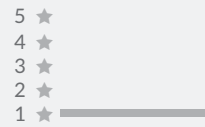

**The friendliness of the front line staff.** When we went to the school for an appointment they were warm, welcoming and genuinely happy to see my child.

3.2  (1   
Not enough ratings to rank

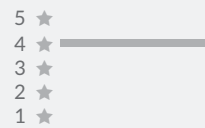

**We are enrolled in the online learning option and I do not feel that teachers outside of my child's physical school understand his needs** He has an IPP for a reason and it would have been helpful to have accommodations offered and built into his program before I had to ask

2.4  (2

Not enough ratings to rank

**Communication between the school/teachers with parents was very good.** It kept us up to date with constantly evolving situations within classrooms and entire school.

3.3  (1 )  
Not enough ratings to rank

**Extra efforts put forth by staff/teachers to create safe environment for students.** It made school possible this year

3.3  (2 )  
Not enough ratings to rank

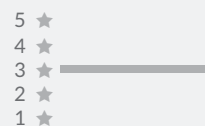

**Any concerns we have had have with programming have not been answered they have just been deferred to someone else to not make a decision**

2.7  (2 )  
Not enough ratings to rank

**Our teachers are being asked to do too much, program for in class and program for at home learning with consistent movement.**

3.0  (1 )  
Not enough ratings to rank

Not enough ratings to rank

I appreciate how much everyone involved in our child's education has been working and adapting to COVID. Our child loves going to school.

3.2  (1 )  
Not enough ratings to rank

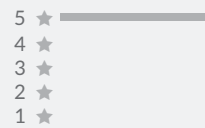

I am frustrated with lack of guidance with Grade book and the continual "you figure it out". I wish there was a consistent expectation between school When starting something new there should be a shared understanding of what is expected. There are clear guidelines for gradebook in other divisions.

2.7  (2 )  
Not enough ratings to rank

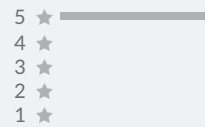

I appreciate LLI teacher and our school counselor. These positions help support the child so that teachers can teach.

3.6  (2 )  
Not enough ratings to rank

I appreciate my school staff members and the resources we have. Our school takes good care of resources and is excellent at sharing materials. There is a strong sense of community- everyone appreciates the work each other is doing and caring for resources shows this.

3.3  (1 )  
Not enough ratings to rank

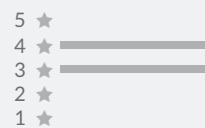

I wish PSD would have went to online for high school students during the week of no buses. Evergreen made that call Sunday for the week. We were already prepared for online and we couldn't afford to lose that much time given the quarter terms.

3.0  (2 )  
Not enough ratings to rank

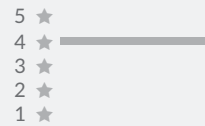

Teachers have been prepared to teach online and provide supports for in-person and online situations.

3.1  (2 )  
Not enough ratings to rank

**Most of my concerns are covid related at this time.**

2.7  (2   
Not enough ratings to rank

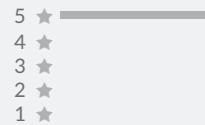

**Our school is branching out from being just a sports and drama school.** Kids have so many different needs and interests. The more of those the school can foster, the more engaged kids will be.

3.4  (2   
Not enough ratings to rank

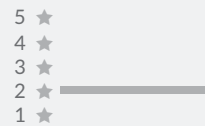

**I appreciate the work admin and staff is doing to make the school safer and more welcoming to students of all needs** Many kids don't fit into a box, and our school is not trying to make them fit. That's wonderful. They are meeting students at their level.

3.3  (1   
Not enough ratings to rank

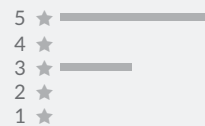

**Positive staff culture is lacking :(**

2.8  (1   
Not enough ratings to rank

**Why is there a push for Power School learning and use during a year where there are already so many new things to learn and figure out? I think teachers have enough on their plates with curriculum, teaching and mental health concerns this year.**

3.5  (3   
Not enough ratings to rank

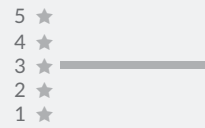

**I dislike the inconsistencies from site to site in our school division. Though I understand different needs at each site mean things look different I also would appreciate some uniform responses to how money is spent, "floating" teachers unattached to classrooms, etc.**

3.0  (2   
Not enough ratings to rank

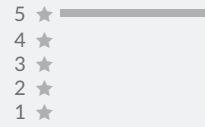

**Quarters are great for options classes but stressful for core subjects.** The sheer amount of information needed to be packed into each daily core subject class is a lot to process in one time period and mentally exhausting.

3.0  (1   
Not enough ratings to rank

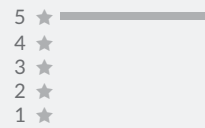

**In-school learning has been better than online.** Thanks to all of the staff for making it work so that our children can learn in person!

3.6  (2   
Not enough ratings to rank

3.6  (2   
Not enough ratings to rank

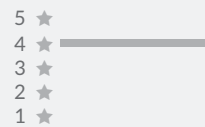

**There should be no masks for anyone** Because the threat is low

3.3  (2   
Not enough ratings to rank

**I appreciate the ability to speak directly to the deputy superintendents Scott Johnston and Mark Francis** were both readily available to discuss staffing concerns as well as to give covid information at the start of year.

3.2  (1   
Not enough ratings to rank

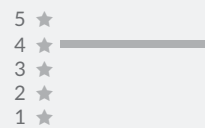

**Not enough emphasis on finding alternative for activities** The schedule for the speech therapist to not visit until May is too long. Also no alternatives to still run programs like Cross Country Races.

3.4  (2   
Not enough ratings to rank

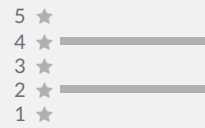

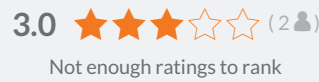

**One of my sons has an allergy to hand sanitizer and had to go on some strong medication to fix and both my boy have anxiety issues so in school was no t an option for us this year.** I know you want to know our plans for next year but without a clear picture I donèt have an answer

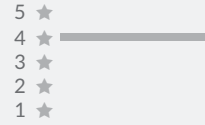

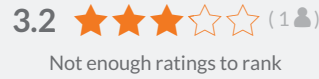

3.2  (1   
Not enough ratings to rank

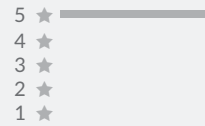

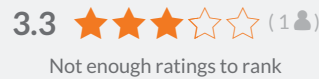

I appreciate that Connections for learning is an option for us this year. My kids are doing quite well with it, I find I am printing a lot of stuff at home for them which is starting add cost

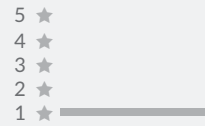

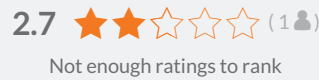

Option 2. It is great that my children had the choice to work from home, many of the online teachers have been amazing

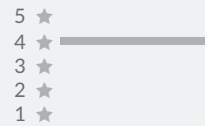

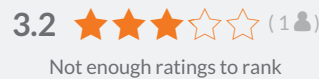

The teachers at EMHS They have worked tirelessly to try to support the students in every way.

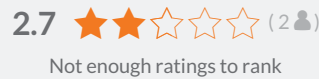

I LOVE that collaboration time has been worked in to our schedules, however it is difficult to get anywhere in terms of working when we have to have a mini meeting each time . Trust us to work! It might take a few blocks of time to build the rapport & trust needed to create but it will be worth it!

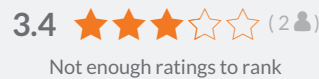

I worry about constantly and wonder how teacher welfare fits in to the goals of our division/school. I feel exhausted, depleted, overworked and that I am not doing enough to reach all of the learners in my classroom.

I often wonder why MCHS staff are required to supervise at the bus transfer station when there are so many other supervisors from transportation. MCHS staff can not arrive to the transfer station in time to do anything.

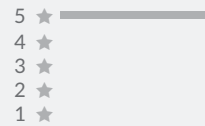

I sometimes find myself annoyed that I feel like I only get information that I seek out from the leadership at my school. I dream of transparency!!

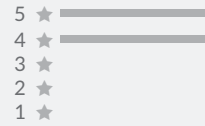

**I am concerned that some programs are losing participation at MCHS, but could, perhaps, fill up again if students were given their second choice.** This is important so that MCHS can continue to offer a large selection of option courses.
