3.8  (37   
Ranked #71 of 128

3.7  (31   
Ranked #86 of 128

3.7  (27   
Ranked #87 of 128

**I believe that Parkland needs to change the grade structure. ie) K-6, 7-9, 10-12** This is important because children need more time in elementary to develop more maturity and confidence before going into junior high.

3.7  (24   
Ranked #88 of 128

**Bullying seems to be a problem** Kids shouldnt have to go through this type of thing

3.6  (38

3.6  (37   
Ranked #90 of 128

**Very much dislike the new report cards. I feel that it is very difficult to understand how your child is performing.** Approaching, Meets, Exceeds don't really tell me how my child is doing. I want a clear understanding, with little commentary, no grades it is tough.

3.6  (34   
Ranked #93 of 128

**To keep the drop off zone moving efficiently the driver should ideally stay at the wheel and allow the staff member to open the door.** The drop off zone should be a quick park at the curb and the child/children should exit out the door with their bags ready to go.

3.6  (33

3.6  (20   
Ranked #98 of 128

**I do not like the external support system. There is not enough professionals as in PT OT Behaviour support. To come every few months is not enough.** I gave suggestions that were 100% ignored which is so wrong. This would have made the teachers life easier & possibly help learning for the child.

3.6  (16   
Ranked #99 of 128

**Biggest concern is the effect that the all inclusive education has on my child. Too much time lost learning to behaviours kids can not excel like this** My child could excel but there isn't enough time available to work on more challenging material... class focus is on those struggling which isn't fair

3.5  (37
