### Accountability Pillar Summary Results Report

October 20, 2016

## Background

The Accountability Pillar surveys are administered annually during the months of January to March to:

- Students in grades four, seven and ten;
- Students in grades four through nine (small schools);
- Parents of students in grades four, seven and ten;
- Teachers.

Students and teachers complete the surveys online at school while parents receive a copy of the survey by mail and are asked to return the survey directly to Alberta Education by mail.

Student responses were grouped within the *“Tell Them From Me”* survey process. Responses were collected and tabulated into the summary chart released in May and were updated in October to include updated academic achievement based on the Provincial Achievement Tests and the Diploma Examination results (Divisional and FNMI specific).

### **Responses to the surveys were received from approximately:**

- 17 parents responded. This number is down from the previous year. Unfortunately, low survey responses may not accurately represent our parent population.
- In Parkland School Division, approximately 413 parents responded to the survey;
- In Brookwood School, approximately 131 students responded to the survey;
- In Parkland School Division: 4,064 Students (1,449 in 4-6 | 1,230 in 7-9 | 1,385 in 10-12)
- 28 teachers responded.

These are approximate numbers as not every student answers every question.
