## Leadership Message

In planning for next year, we kindly ask that you fill out this [Family Feedback Survey](#). Your input is extremely important as we look ahead to the 2025-2026 school year. This survey will be open until May 8th at 11:59 PM.

As the beauty of spring unfolds around us, we're reminded of the fresh energy, growth, and sense of renewal that this season brings. With just a couple of months left in the school year, the excitement and anticipation in our hallways are truly contagious!

This spring has already given us much to celebrate, most recently during our Parent-Teacher Conferences. These valuable conversations were a wonderful opportunity to reflect on your child's growth, share in their achievements, and look ahead to their continued success. Thank you for taking the time to connect with us and for the essential role you play in supporting your child's learning journey.

As we approach the final stretch of the school year, we look forward to making the most of every moment. Our students continue to blossom, and we are so proud of all they've accomplished.

Thank you for your continued support and partnership. We cannot wait to finish the year strong, learning and listening together!

In partnership,

David Griffin - Acting Brookwood School Principal

Stephanie Carrozza - Brookwood School Assistant Principal
